TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

(FOR ADDRESS ONLY.)

Porto Capuana, Naples. Porto Capuana is one of the old gates of the town, picturesque in the extreme. It is a very busy place, full of life and movement and all the colour of the sunny south. The artist has been most happy in producing a picture representing the spot with all its charm of brilliant effects and its crowds ever moving to and fro through the ancient gateway.
